

Ironhack certifies that

Geethu Pandath Ramesh

has successfully completed the

Web Development course

Gonzalo Manrique Sabatel

Co-founder & Co-CEO • Ironhack School Inc.

This certificate of completion signifies that the student has successfully passed the intensive Full-stack JavaScript Web Development course, including pre-work and career development. This achievement includes the competent acquisition of industry-driven skills to be able to use HTML5, CSS3, ReactJS, and TypeScript to develop Responsive Web Apps, create database-driven applications using ExpressJS, implement RESTful APIs, and successfully manage data in both MongoDB and PostGRES SQL databases. Additionally, the student has demonstrated proficiency in using Prisma ORM for efficient database management and querying
